Glendale Union Academy, Glendale, California

15/JU Yearbooks

Dedication

In your four years as Bible instructor, you have shown interest and sincerity in the welfare of your students; and by your endless hours of devoted service, you have endeared yourself to the hearts of all Glendale Union Academy students, both past and present.

It is with heartfelt gratitude and sincere prayers for continued success that we dedicate this 1961 Stepping Stone to you, Mr. R. Dale McCune.

Theme

This year we have chosen a theme which we thought best represents the aim of the students and faculty of Glendale Union Academy and their families in "Striving for Perfection."

The goal of the Hawaiian Islands in becoming a part of this United States, was finally reached in 1958, when they became our 50th state. Every year thousands of Hawaiians turn out on June 11, to honor King Kamehameha the Great who united all the islands under one government, while working toward this goal.

The theme "Hawaii" has been chosen as an example of a group of people who have reached their goal in "Striving for Perfection."

A Message From Our Principal

The school year of 1960-1961 has by this date become either a "stepping stone" or a stumbling stone which has brought frustration, a feeling of accomplishment, and new vistas of pleasure and happiness. Life's footsteps are that way. The individual determines not only his progress, but the rate of his progress. One does not have to climb the highest mountain to succeed in life, but each one must make the right choice in determining the direction in which he is to travel.

Now what of today? Do the stepping stones appearing before you indicate the way or does each step of the way become a stone to stumble over? As was once said, "Yesterday is a cancelled check. Tomorrow is a promissory note. Today is the only cash you have — spend it wisely." Eternity lies before us, today's stepping stones determine the time and place for tomorrow.

In Memoriam

On Sunday afternoon, February 12, Clinton Gay, a freshman student at Glendale Union Academy, was killed when he collided with a car while riding his bicycle out of a parking lot on Verdugo Road in Glendale.

Clinton was born on October 15, 1946 in Alhambra, California. His parents, Dr. and Mrs. George Gay, moved to Glendale shortly after Clinton's birth. Except for a brief period, Clinton attended Glendale Academy during his entire school life.

Clinton was a sincere, dedicated boy and he will long be remembered in the hearts and minds of those with whom he came in contact.

GRADUATION . . . . cherished dreams and fulfilled hopes are completed by this ceremony. The seniors have practiced many long hours on sitting, standing, and walking. They have learned to have perfect control of their outward appearance. But for their emotions at this moment no one has prepared them. No one has told them that in this final hour they must leave behind them high school cares and bring to a close every precious, happy, fun-filled hour. No one has told them that they must struggle to control their feelings, thoughts, and memories. That they must force back tears while singing the class song for the last time with their classmates. The diplomas for which they have worked for twelve years are now theirs. They are no longer a firm, united class, but separate, alone individuals. As they march off the stage they close a door, the door of adolescence, and open the door of maturity.

Athlete Of The Year

To obtain the honor of "Athlete of the Year" a boy must be a well-rounded athlete. He must possess good sportsmanship, have a satisfactory scholastic record, and display concentrated effort.

Because he meets each of these qualifications and because of his many outstanding accomplishments in the field of sports, we have chosen DICK TAYLOR as our Athlete of the Year 1961.

"To obtain an education worthy of the name, we must receive a knowledge of God . . . "

In every youth, every child, lies the power, by the help of God, to form a character of integrity and to live a life of usefulness. The will should be guided and moulded, but not ignored or crushed. Save the strength of the will, in the battle of life it will be needed.

HIGH MAN ON ANY TOTEM POLE!

There is always room at the top — for young men and women who are prepared. Basic education that fits a person not only to do a job but to do it *better* — is fundamental to success.

We urge all who are graduating from High School or Academy to choose a Christian college in which to continue their education. When you are ready for it, there may be a place waiting for you with ACE — a rapidly expanding international manufacturer of precision tools for industry, with openings for college graduates in many parts of the U. S. or abroad.

Prepare today for tomorrow. You, too, may become "High Man on the Totem Pole".

If you are facing financial difficulties in obtaining a college education, we suggest you write to George C. Beck, Vice-President, for information regarding the A-C-E (A Christian Education) student employment plan. It has helped hundreds of young people to realize their life's ambition.

ALOHA

Dear A. S. B.

We sincerely hope that you have enjoyed your 1961 Stepping Stone and we can say on behalf of the staff that we have enjoyed bringing it to you. There have been times when all wasn't blue skies and smooth surfing, but in the end it all seems to have been worth it.

We would like to express our deepest appreciation and thanks to:

Taylor Publishing Company for being so patient and lenient at deadline time; **Mr. Watkins** for being so understanding; **Elder Jeffreys** for his competent advice; **Mr. Muderspach** and **Mr. Maxson** for a fine job on the elementary section; **Mr. Bacon** for our beautiful cover and artwork throughout; **Mr. Jenkins** and **Mr. Lewis** for your fine pictures and quick deliveries, respectively; and the rest of the staff for your helpfulness and encouragement.

We truly hope that this book will continue to bring the cherished memories of this year to mind throughout all the years to come.

Hopelessly yours,

Sue

&

Linda

Dear John,

I hope you like your summer school and have a wonderful summer. I'm going to miss this school a lot. Miss the "hi's" in the cafeteria, the naps during chapel, and the bruises I got on the days we change seats in Math, but I guess you know who I'll miss the most. Like don't change like any like okay? Like if that doesn't make like any since like don't like get like discouraged. Like a lot of likes can add up to love. Best of luck in the future. Love always

Lydia

Dear Jordan,
We have enjoyed
knowing you and
this year's other
Duke students &
hope that (we)
can keep in touch
during the years
to come.
Love,
Martha

I've really had fun knowing you this year; Even if you bothered me in Chapel, By now, I hope to see you next year.
Love,

Aloha John
It's been fun knowing you. I
hope that the future
will be the best for
you. Have a
nice summer and see
you next year.
Richard

Aloha John!
It's been nice to
get acquainted with you.
Good luck & Best Wishes
in all the coming years.
